STATINTL

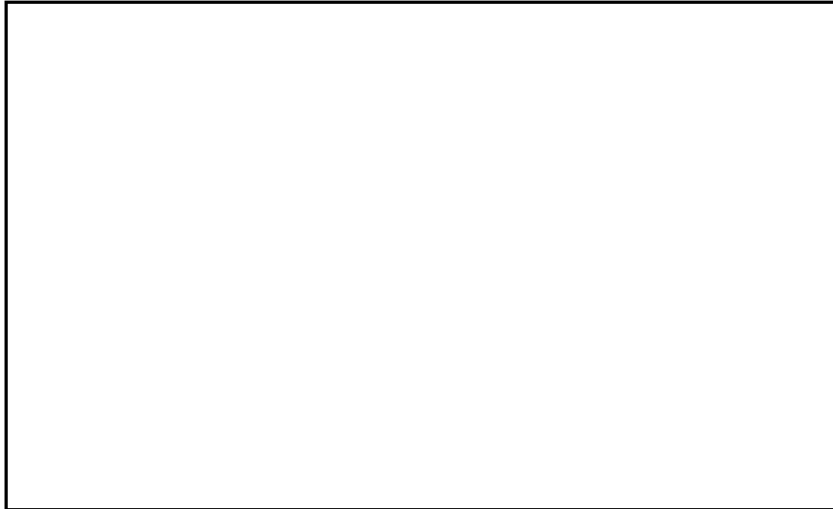

MEMORANDUM FOR: Deputy to the DCI for Resource Management

STATINTL

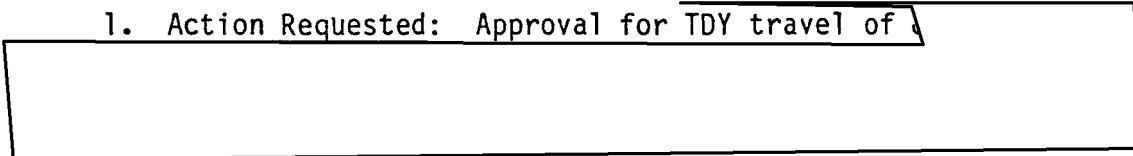

VIA:

FROM:

SUBJECT:

1. Action Requested: Approval for TDY travel of

2. Background:

a. In response to the need to insure that NFIP systems adequately support the operating forces, RMS/PAO is undertaking the Support to Operating Forces (STOF) Study. The strategic forces are among the most important forces in the inventory, and NFIP support to them will be examined in the first phase of STOF. This requires extensive discussions between members of the study team and SAC/JSTPS intelligence users/collectors/producers at both Offutt AFB and Beale AFB.

b. [redacted] must continue to [redacted] Los Angeles, and [redacted] Sunnyvale, for discussions regarding space shuttle operations. [redacted]

3. Discussion:

- a. Estimated cost of the proposed TDY is about \$5,800.
- b. BOQ accommodations have been requested at Offutt and Beale AFBs.
- c. Point of contact is Major Frederick Lackey, AF/INX, OX 5-7266. [redacted]

STATINTL

SUBJECT:

[Redacted]

4. Recommendation: That you <sup>quickly</sup> approve the proposed TDY. ☐
